G.O. Ms. No. 222, 408

24th April
Dated/4th May 1942.

Read the following:

G.O. No. 222, Finance (Pension) dated
4th May 1942.

O R D E R:

The Government of India have stated that case has come to their notice in which special additional pension had to be granted to a Government servant, in spite of an adverse recommendation by the Governor of the Province, Owing to the failure on the part of the Provincial Government concerned to comply with the procedure laid down for the purpose of awarding special additional pension - Vide orders issued in G.O. 222 Finance (Pension) dated 4th May 1942. They have added that, during the course of the examination of the case, the Federal Public Service Commission, who were consulted, have pointed out that their recommendation for the grant of full additional pension to the officer concerned was based mainly on the fact that the directions on the subject were not properly followed and this neglect on the part of the Provincial Government has resulted in loss to the State.

2. The attention of the Heads of Departments and the Departments of the Secretariat is invited to the Orders in the G.O. cited and they are requested to see that the prescribed procedure relating to the conditions for the award of special additional pension is strictly followed in order that in no case will the Government again be faced with necessity of granting a special additional pension in an undeserving case.
